

For each location mentioned in a chapter, a hexagon with dark border is drawn near that location.

For each character mentioned in a chapter, a hexagon with light border is drawn near the location the character comes from.

Chapter Color Scale:

the place or the people was mentioned explicitly

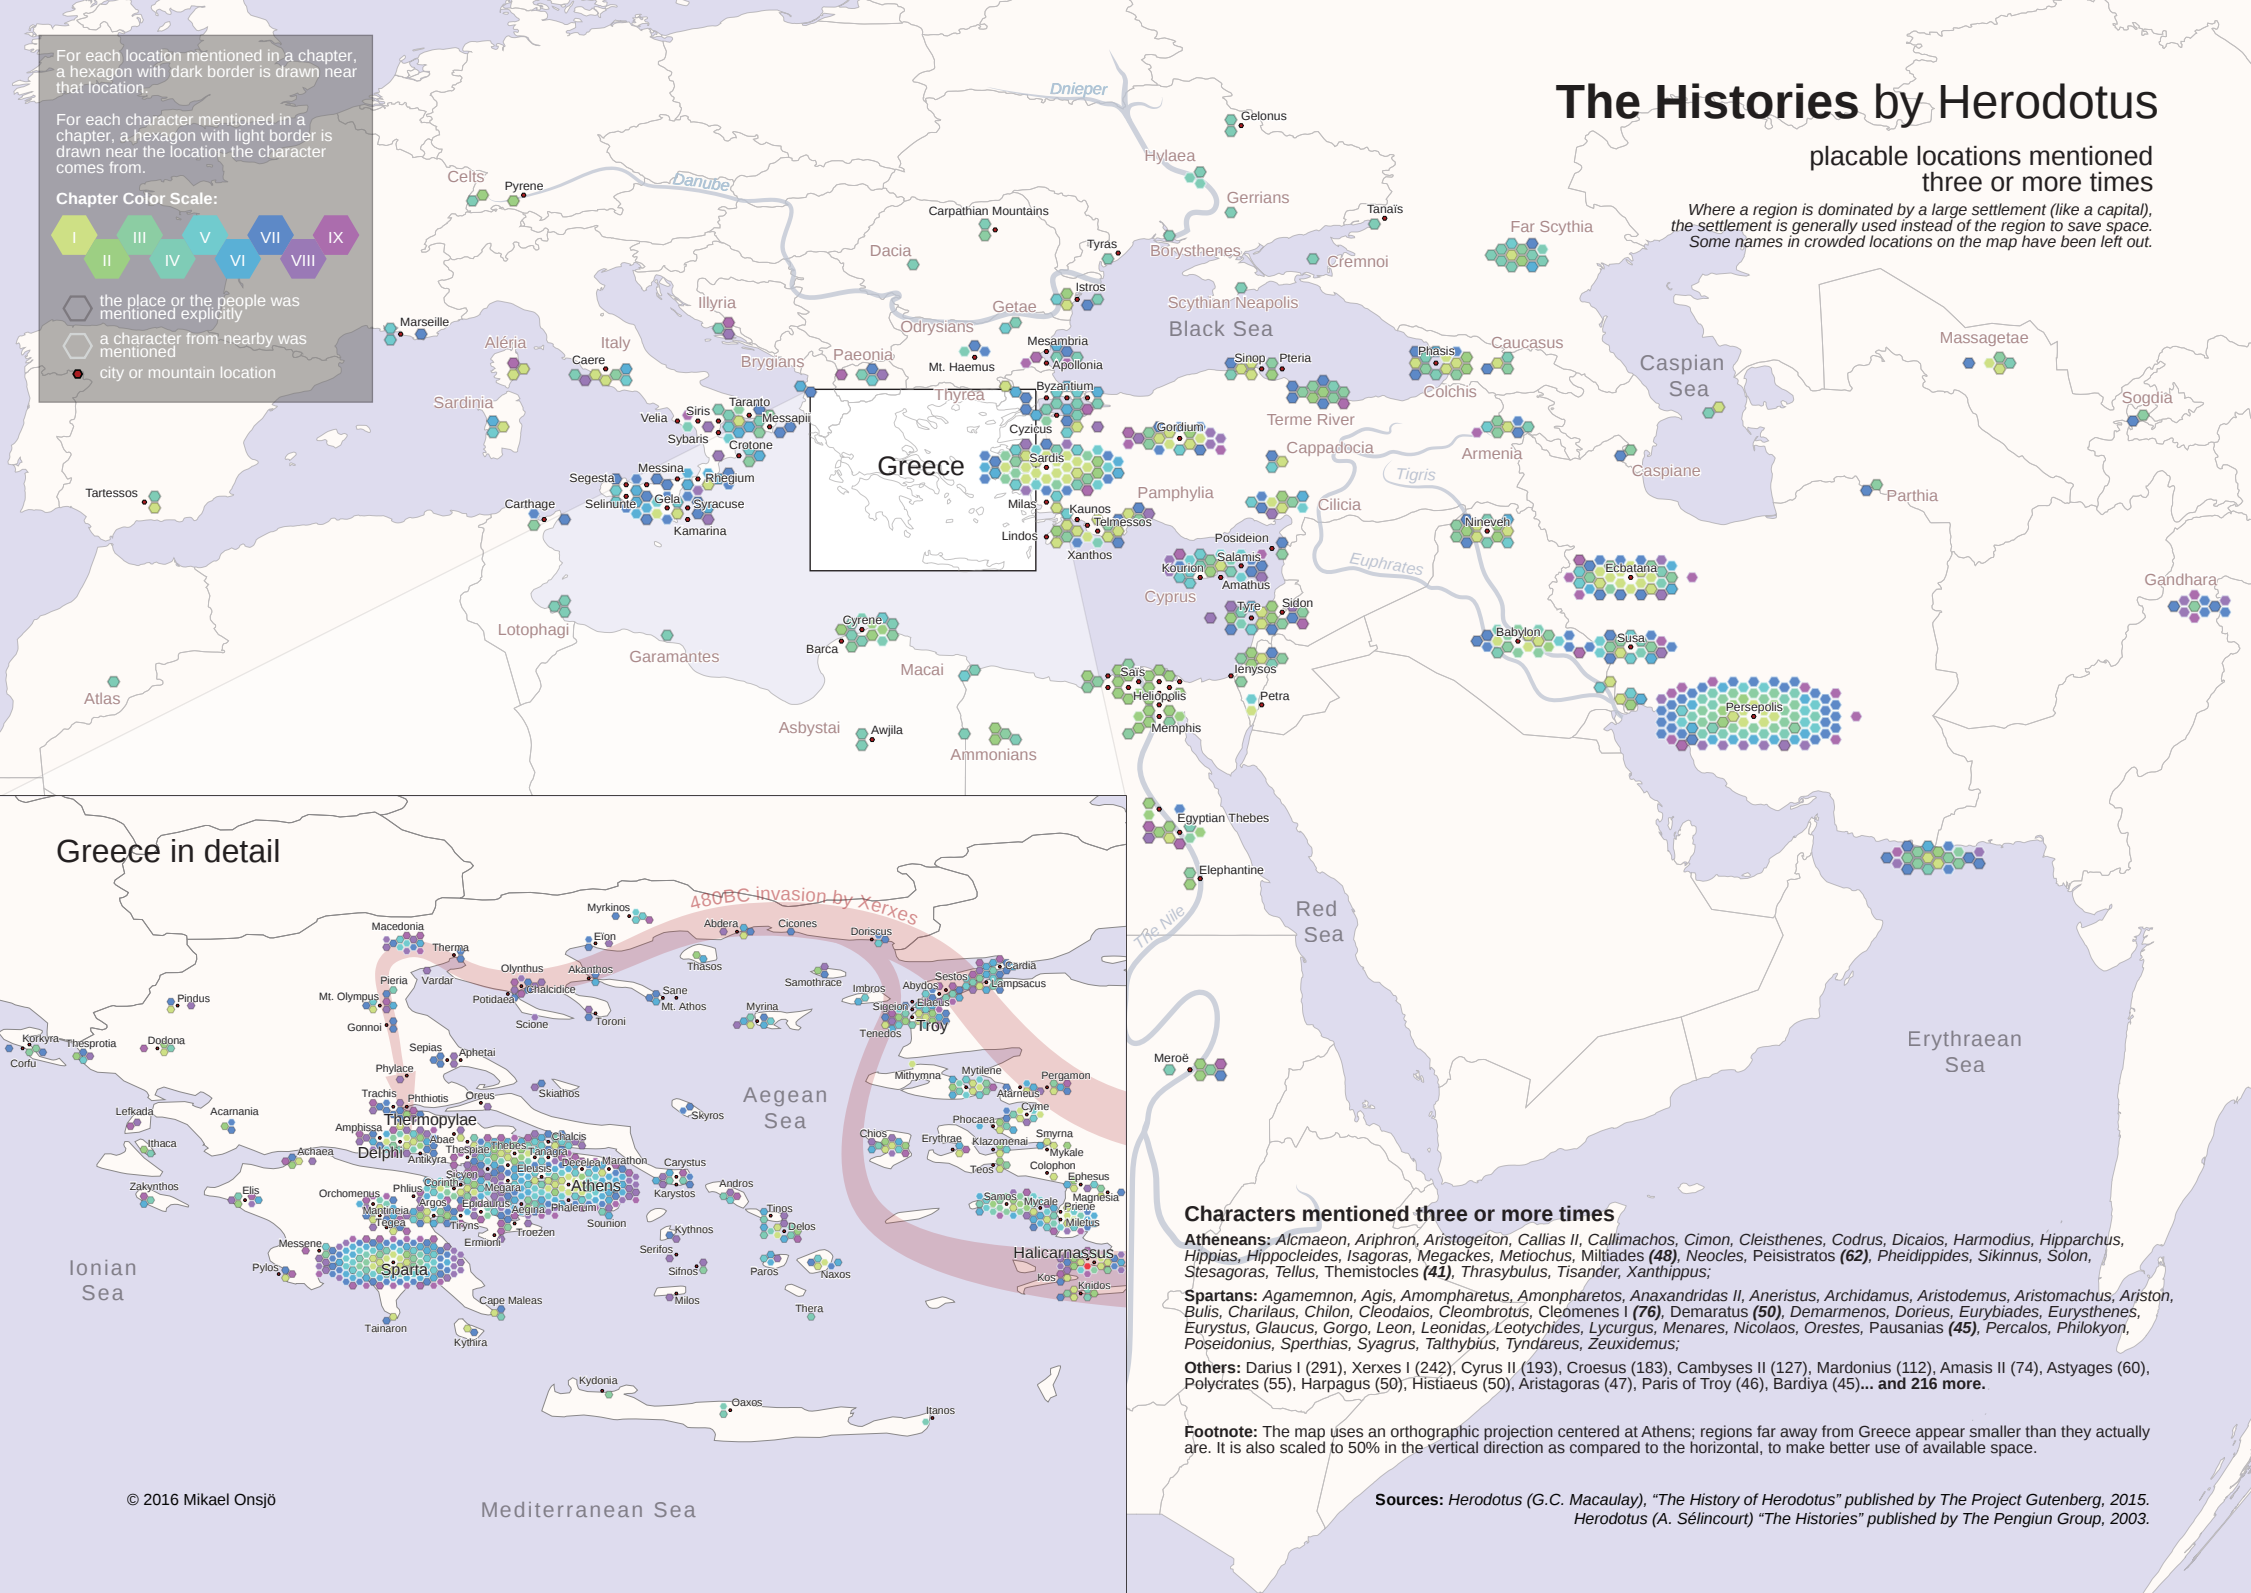

a character from nearby was mentioned

city or mountain location

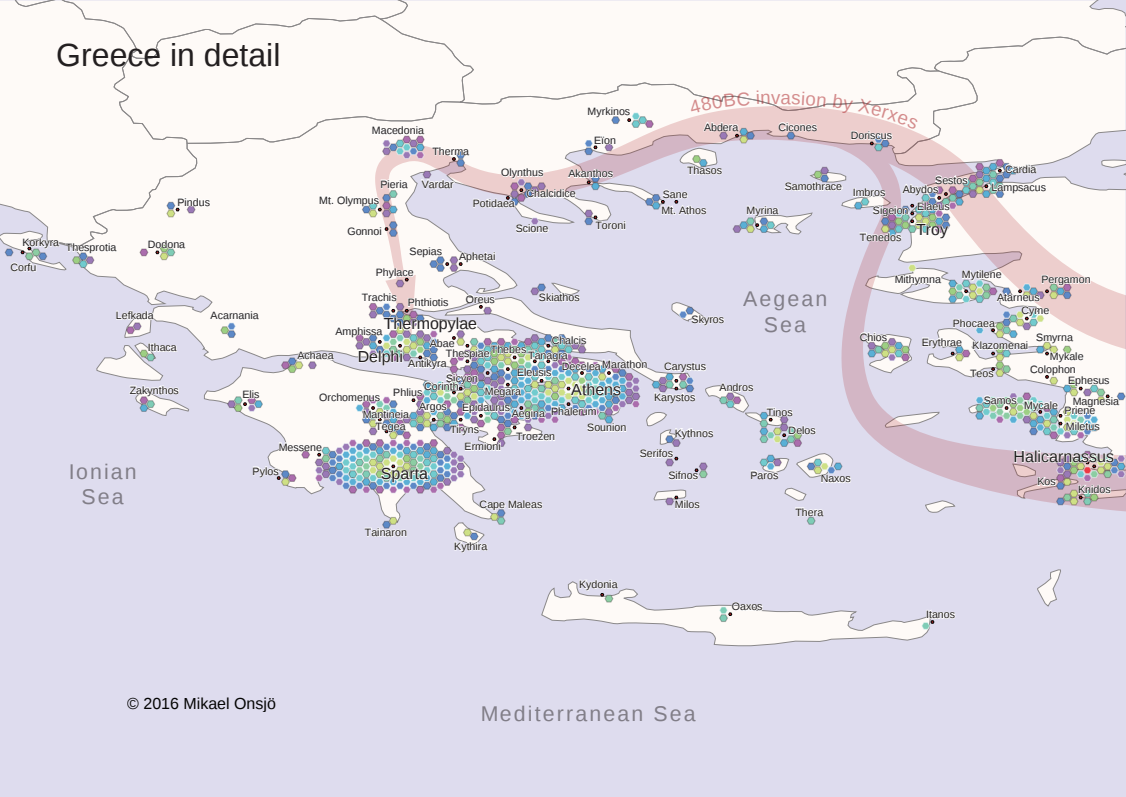

The Histories by Herodotus

placable locations mentioned three or more times

Where a region is dominated by a large settlement (like a capital), the settlement is generally used instead of the region to save space. Some names in crowded locations on the map have been left out.

Greece in detail

Characters mentioned three or more times

Athenians: Alcmaeon, Ariphron, Aristogeiton, Callias II, Callimachos, Cimon, Cleisthenes, Codrus, Dicaeos, Harmodius, Hipparchus, Hippias, Hippocleides, Isagoras, Megacles, Metiochus, Miltiades (48), Neocles, Peisistratos (62), Pheidippides, Sikinnus, Solon, Stesagoras, Tellus, Themistocles (41), Thrasybulus, Tisander, Xanthippus;

Spartans: Agamemnon, Agis, Amompharetus, Amompharetos, Anaxandridas II, Aneristus, Archidamus, Aristodemus, Aristomachos, Ariston, Bulis, Charilaus, Chilon, Cleodaios, Cleombrotus, Cleomenes I (76), Demaratus (50), Demarmenos, Dorieus, Eurybiades, Eurysthenes, Eurystus, Glaucus, Gorgo, Leon, Leonidas, Leotyichides, Lycurgus, Menares, Nicolaos, Orestes, Pausanias (45), Percalos, Philokyon, Poseidonius, Sperthias, Syagrus, Talthybius, Tyndareus, Zeuxidemus;

Others: Darius I (291), Xerxes I (242), Cyrus II (193), Croesus (183), Cambyses II (127), Mardonius (112), Amasis II (74), Astyages (60), Polycrates (55), Harpagus (50), Histiaeus (50), Aristagoras (47), Paris of Troy (46), Bardiya (45)... and 216 more.

Footnote: The map uses an orthographic projection centered at Athens; regions far away from Greece appear smaller than they actually are. It is also scaled to 50% in the vertical direction as compared to the horizontal, to make better use of available space.
